

**Retreat Else Kröner-Forschungskolleg *AntiAge*
& Jena School for Ageing Medicine (JSAM)
27.-28.10.2019**

LOCATION

Berg & Spa Hotel Gabelbach, Ilmenau (Anfahrt, page 4)

PROGRAMME

Day 1 - Sunday 27th October	
08:15	Transfer by bus from Jena to hotel (start: bus station Jena Paradies)
10:00	Registration with welcome coffee
10:15	Opening remarks & 5 min Introduction EKF AntiAge Otto W. Witte , Speaker of the Kollegs
10:30	Keynote lecture Prof. Dr. Carsten Hoffmann , Institute of Molecular Cell Biology, JUH
11:30-13:00	Lunch
Talk Session EKF AntiAge (5 min talk + 10 min discussion; feedback: 30 min), Chair: Uta Dahmen	
13:00	Annamaria Brioli , KIM II <i>Targeting the interaction between bone marrow stromal cells and myeloma plasma cells to delay disease progression</i>
13:45	Alexander Jörk , Neurology <i>Impact of heme degradation products on the pathogenesis of cerebral vasospasm after subarachnoid hemorrhage</i>
14:30	Hans-Michael Tautenhahn , AVGC <i>Structural changes after liver resection in elderly patients</i>
15:15-16:15	Tea/coffee break & check-in & poster-setup
Poster Session I (uneven numbers)	
16:15	Poster session I
17:45	A. EKF AntiAge & JSAM: Feedback on posters B. JSAM: Election fellow speaker
18:30	End of course
19:30-open end	Dinner followed by get-together
Day 2 - Monday 28th October	
09:00	Welcome address Otto W. Witte
09:05	Overview talk EKF AntiAge - 1. and 2. funding period Otto W. Witte , Speaker of the Kolleg (20 min talk + 10 min discussion; feedback: 15 min)
Talk Session JSAM (10 min talk + 5 min discussion), Chair: Regine Heller	
09:50	Eric Rath , KIM I <i>Aging processes in murine embryonal stem cells</i>
10:05	Fengming Xu , AVGC <i>Modulation of autophagy to promote regeneration of the aging liver</i>
10:20	Jonas Tönsing , KIM II <i>Investigating proteostasis in hematopoiesis and leukemic transformation</i>
10:35-10:45	Tea/coffee break
Poster Session II (even numbers)	
10:45	Poster session II
12:00-13:00	Lunch & group photos
Seminar Session	
13:00-17:30	A. EKF AntiAge: Preparation/coaching for interviews [incl. break]
13:00-17:30	B. JSAM: Time and self-management for doctorates Dr. Alexander Egeling, Berlin [incl. break]
17:30	Closing remarks
18:00	Bus departure to Jena

POSTER SESSION I – UNEVEN NUMBERS (SUNDAY 27TH OCTOBER)

P01 Clara Hübner (JSAM) *Validation of tablet-based testing in patients with Mild Cognitive Impairment- The Oxford Cognitive Screen Plus*

P03 Sophie Charlotte Schröder (JSAM 2018) *Characterization of pathogenesis and prevention of cerebral vasospasm by arteriolar diameter analysis in acute mouse brain slices*

P05 Annika Krautscheid (JSAM 2018) *Impact of ageing on liver*

P07 Philipp Felgendreiff (EKFK AntiAge) *Liver de- and recellularization with mesenchymal stem cells (MSCs) depending on the age of the liver and the MSCs*

P09 Philipp Ernst (EKFK AntiAge) *Regulation of senescence in hematological neoplasms*

P11 Nadja Wystub (EKFK AntiAge) *Mechanisms of endothelial senescence*

P13 Sven Rupprecht (EKFK AntiAge) *Sleep disturbance and the risk for cognitive decline: assessment of visual attention components in patients with insomnia*

POSTER SESSION II – EVEN NUMBERS (MONDAY 28TH OCTOBER)

P02 Tina Andrä (JSAM 2019) *Role of the chloride co-transporter NKCC1 in the activation of hippocampal neural stem cell during aging*

P04 Marie-Luise Ederer (JSAM 2019) *Gut-brain-communication in aging: Impact on cognition*

P06 Lorenz Grischek (JSAM 2019) *Age dependent mechanisms of learning, unlearning and re-learning*

P08 Eva Kindler (JSAM 2019) *Cytokine profiling after extended liver resection*

P10 Theresa Nägler (JSAM 2019) *Modulation of the interaction between plasma cells and the microenvironment for the treatment of multiple myeloma*

P12 Nova Orah (JSAM 2019) *The Role of CCL11 on the aging of microglia*

P14 Alena Spagnolo (JSAM 2019) *Mitochondria as mediator for a shorter life in rats with a lower intrinsic capacity*

CONTACT

EKFK/JSAM-Geschäftsstelle
Else Kröner-Forschungskolleg *AntiAge*
Universitätsklinikum Jena
Am Klinikum 1
07747 Jena
Tel.: +49 (0) 3641 9-39 66 59

HOW TO REACH THE HOTEL

Adresse

BERG & SPA HOTEL GABELBACH

Am Gabelbach 1 (alte Adresse: Waldstraße 23a)

98693 Ilmenau

Telefon: +49 (0) 36 77 / 860-0

Telefax: +49 (0) 36 77 / 860-222

E-Mail: info@gabelbach.com

Internet: www.hotel-gabelbach.de

Anreise per Auto

- Über die Autobahn A71 Erfurt – Schweinfurt bis Ausfahrt 16 Ilmenau West,
- Weiter auf der Bundesstraße B4 Richtung Schmiedefeld/Rstg. durch Ilmenau
- Nach ca. 4 km in Ilmenau links abbiegen in die Waldstraße (K56)
- Nach Ortsausgang 3,5 km der Straße entlang durch den Wald bis zum Berg- und Jagdhotel Gabelbach
- In **Navigationssystemen** finden Sie das Hotel über die **Auswahl: Sonderziele – Hotels Ilmenau**
