DORNBURG CANCER TALKS

**A forum for young scientists
in the field of oncology**

29th August 2024

9 am – 6 pm

Altes Schloss, Dornburg

Young researchers in the field of oncology are cordially invited to the Dornburg Cancer Talks 2024. The meeting aims to promote scientific exchange, new ideas and new collaborations. Doctoral students and early postdocs are encouraged to present their projects in oral communications or as posters and to discuss their ideas with advanced scientists.

Venue

Scientific Meeting Center
Altes Schloss Dornburg
Max-Krehan-Straße 2
07774 Dornburg-Camburg

Registration & abstract submission

Deadline: 15th July, 2024

Please register at:
<https://t1p.de/CCCG-DoCTa>

Workshop language is English.
Registration required.
No registration fee.

Participants are accepted on a „first come, first served” basis. Active participants are preferred. The final decision about the program will be made by the organizing committee.
