

## Application for a student/research assistant

The RTG *ProMoAge* provides a limited number of students/research assistants (3-6 months à 40 h per subproject per year). The application should be submitted by the principal investigators at any time. Please make sure that the complete application is submitted in one single PDF. The decision will be made by the steering committee. Once the application is approved, we will ask you to write a **report** about the conducted work at the end of the funded period.
